Student Statement of Commitment

As a participant in the Upward Bound program at Northeast Texas Community College, I agree to participate in the entire program and to give Upward Bound a fair amount of my time. I will at all times conduct myself in such a way as to be a source of pride to myself, my family, my community, my school, and to the Upward Bound program. I will not use alcohol, tobacco products, or drugs of any kind; I will abide by the rules and regulations set forth in the Upward Bound Handbook; and while on the campus of Northeast Texas Community College, I will follow all rules and regulations established for that campus. I will at all times treat others with respect, especially those older than me and those in positions of authority.

I realize that the main purpose of the Upward Bound program is to facilitate my preparation for and entrance into college and my success once there. I realize this may likely mean that I will be required to study more than my peers and at times when they may not be required to study. However, I also understand that all Upward Bound activities are intended to strengthen my academic and study skills and myself as a person so that I will be prepared to enter college, live away from my parents or guardians, and succeed both in my coursework and in life.

By my signature, I agree to the above statement of commitment.
