

WORK 4 COLLEGE

Northeast Texas Community College

Vol. 7, Issue 3

They Really Are Willing to **WORK!**

Just last week, 84 Work4College (W4C) students were able to take the first step in paying for their college education (we had almost 150 applicants). The program has grown so much in the past 7 years and we could not have done it without your support.

We want to personally thank each of you who have supported the program in the past. Once again, we are taking a leap of faith by offering a few extra students the opportunity to participate in this life-changing program, provided that some additional supporters will decide to step in.

As you may know, many local families have sustained real economic losses due to temporary or permanent job loss or salary reductions. This means our students need this opportunity to work to pay for their college now more than ever.

The students that you support will WORK, SERVE, LEARN and EARN their way through the summer.

If I can answer any questions or provide you with more information about the Work4College Program at Northeast Texas Community College, please don't hesitate to contact me at 903.434.8246 or e-mail me at mmay@ntcc.edu.

Sincerely,

Mason May
Work4College Program Director
