## Matching Grants Increase **Your Giving Power!**

### EAST TEXAS GIVING DAY

Spring is here and so is East Texas Giving Day! NTCC is once again participating in this regional awareness and fundraising event.

This year, ALL gifts given to NTCC will be matched dollar for dollar. If you've ever thought about helping out a student at NTCC, this would be the perfect time!

And, in addition to this dollar for dollar matching gift opportunity, IF your gift is designated to the Work4College Program, NTCC will receive \$2 for every \$1 you give!

**East Texas Giving Day officially happens on April 25th,  
but you can make an impact starting on April 3rd!**

## **THANK YOU 2022 Work4College Sponsors!**

We would like to thank all of our friends who made Work4College such a success in 2022, whether you sponsored a student or supported the program, your contribution made a difference. Below is a picture of the students in the program who received scholarships from generous donors last year. On the back of this page, the 2022 Work4College scholarships and recipients are listed.
