All costs are estimated. Tuition, fees and book prices are based on the 2024 fee schedule and are subject to change. E Book prices are based on required texts only. Immunizations are required but you must get them through your own physician, therefore prices may vary. Scrubs must also be purchased for on-campus labs and clinical sites and they average about \$220 for two sets.

Refund policies for tuition and fees can be found in the NTCC College Catalog or at <http://mycampus.ntcc.edu/group/mycampus/ntcc-policies>.
