WHEREAS Early College High Schools are traditionally small schools with enrollments between 400- 500 or fewer students (100-125 students per grade cohort) which provide students the opportunity to earn both a high school diploma and up to two years of transferable college credits (60) and/or and an associate’s degree, and

WHEREAS Early College High Schools prepare high school students for successful career and educational futures through a full integration of high school, college, high demand/high skill career preparation, improved academic performance, and increase high school and college/university completion rates;

NOW, THEREFORE, in consideration of the covenants, and conditions and provisions set forth herein, the parties hereto agree as follows:

STATEMENT OF GENERAL DUTIES AND OBLIGATIONS

1. GOVERNANCE:

- a. The Early College High School established under this agreement will be governed by state and federal laws and regulations, school district, and college policies and requirements. The School District shall apply to the Texas Education Agency for the establishment and approval of an Early College High School designation.
- b. A Leadership Team comprised of members of the district and the college will meet regularly as mutually agreed to by both parties to plan and make decisions about the design and fidelity of the implementation of the Early College High School Benchmarks.

August 2024

The team will work collaboratively to meet established benchmarks in: (1) Target Population, (2) Partnership Agreement, (3) P-16 Leadership Initiatives, (4) Curriculum and Support, (5) Academic Rigor and Readiness, and (6) School Design. As the school moves through the implementation process and scales up to serve grades 9-12th new topics will be addressed to include, but not limited to community partnerships, dual credit, student support systems and expanding the college culture. The Leadership Team will also address issues of sustainability such as regularly reviewing the MOU, discussing budget and cost arrangements, planning for leadership change in the district or college if it applies and expanding and enhancing the partnership.

- c. The Harts Bluff ECHS principal (chief administrative officer of the Early College High School) will be appointed by the Superintendent of the School District as principal. The principal will be an employee of the School District. The School District will be responsible for payment of benefits, if any, to the principal, and the principal shall not be entitled to receive employee benefits from the College, including, but not limited to, unemployment compensation, workers' compensation, health insurance and retirement benefits. The School District assumes full responsibility for workers' compensation insurance and for payment of all federal, state and local taxes or contributions, including, but not limited to, unemployment insurance, Medicare and income taxes with respect to the principal. Should the school principal position become vacant and the need to appoint a new principal arise, following all Harts Bluff ECHS, Human Resources Policies and Procedures, the College will have the opportunity to be represented on the principal search committee, take part in the deliberations the District agrees to assign the principal as soon as a qualified candidate is identified and hired. An adequate number of faculty for high school credit-only courses, counselor(s), clerical staff, and any other high school personnel that may be necessary, will be the responsibility of the School District.
- d. This Agreement does not create a partnership or a joint venture between the parties hereto, nor does it authorize either party to serve as the legal representative or agent of the other. Neither party will have any right or authority to assume, create, or incur any liability or any obligation of any kind, expressed or implied, against or in the name of or on behalf of the other party.

2. PROVISION OF COURSES: The College will award transcript credit for courses agreed for which Dual Credit Course Agreements have been approved and such courses shall be evaluated and approved through the College curriculum approval process, and shall be taught at the College level. Regular academic policies and procedures applicable to regular college courses and students will also apply to dual credit courses.

3. INSTRUCTORS: All instructors must meet the College's academic requirements for all academic dual credit courses. The School District will provide and will be responsible for the evaluation and assessment of instructors and staff for high school credit-only courses conducted at the Harts Bluff ECHS. The College will provide an instructor who meets the College's academic requirements for that course, provided the class has an enrollment of a minimum of twelve (12) students and no more than twenty-five (25) students. Exceptions to enrollment minimum and maximum allotments require College and departmental approval.

4. LOCATION, COSTS, TRANSPORTATION:

- a. The Harts Bluff ECHS is located at 3506 FM 1402 Mount Pleasant, Tx 75455
- b. **FUNDING AND AVERAGE DAILY ATTENDANCE (ADA):** The Early College High School shall generate ADA funds for the School District from the attendance of students, which will be used to provide funding for the operations and expenditures of the high school as authorized by the Texas Education Code.
- c. **TUITION AND FEES:** Dual credit tuition at NTCC is \$55 a semester credit hour for all courses. Books and material charges vary per course. Per recent HB8 legislation, qualified dual credit students, as determined by the Texas Education Agency (TEA), will have the total costs for tuition, books, and course materials covered by the Financial Aid for Swift Transfer (FAST) scholarship program. Students qualify for the FAST scholarship program if they were qualified for free/reduced-price lunch in any of the four school years prior to enrolling in a dual credit course. Students who do not qualify for the FAST scholarship program will be charged \$55 a credit hour for tuition plus the cost of books and materials.

As the HB8 statute requires that eligible students in the FAST program incur no direct cost for dual credit coursework, school districts will be responsible for covering differential course fees and materials for FAST scholarship recipients participating in select “high-cost” workforce programs, as specified in the funding section of this MOU agreement. For students not eligible to receive the FAST scholarship, in addition to the normal tuition and course material cost, Harts Bluff ISD will be responsible for paying differential course fees as set forth in the agreement.

For students who are not eligible for the FAST scholarship program, the College will charge Harts Bluff ISD tuition and fees consistent with those of all dual credit students. The School District is encouraged to hire academic Master’s credentialed faculty for all high school credit-only courses and future college courses to support sustainability of the Harts Bluff ECHS. Changes to the funding formula for either the School District or the College will be reviewed yearly to determine whether adjustments are needed. Any such adjustments will be communicated to the District during the spring semester to align with the District budget process.

- d. **INSTRUCTOR COSTS:** The District will assume responsibility for the timely payment of the costs incurred to recover College expenses for college courses taught for dual credit. The School District is encouraged to hire academic Master’s credentialed faculty for all high school credit-only courses and future college courses to support sustainability of the Harts Bluff ECHS. Changes to the funding formula for either the School District or the College will be reviewed yearly to determine whether adjustments are needed. Any such adjustments will be communicated to the District during the spring semester to align with the District budget process.
- e. **FOOD SERVICES:** The School District will provide meals for all students, as appropriate under State and Federal Law and School District rules and procedures. The Harts Bluff

ECHS may purchase food on College visit days from NTCC's Food Services Department.

f. The School District will provide transportation to students enrolled at Harts Bluff ECHS as required, deemed necessary, and appropriate under State law and School District rules and procedures. The School District will also provide transportation for all Harts Bluff ECHS field trips and project-based learning activities. In addition, ECHS students enrolled in dual enrollment classes at the College will be transported.

5. ADMINISTRATION OF STATEWIDE INSTRUMENTS UNDER SUBCHAPTER B, CHAPTER 39: Harts Bluff ECHS shall comply with State Board of Education rules regarding administration of the assessment instruments as required by Subchapter B, Chapter 39. In addition, Harts Bluff ECHS will administer a Texas Success Initiative (TSI) college placement exam to all students to assess college readiness and to enable students to begin college courses based on their performance as soon as students are able and ready. The administration of the TSI college placement exam will be conducted at the Early College High School.

6. GRADING PERIODS AND POLICIES: Semester grades and grading policies are outlined in each instructor's course syllabus. Harts Bluff ECHS students will be informed by the instructor of academic progress/grade status at midterm and prior to the Last Day to Drop/Withdraw at the College. Harts Bluff ECHS students struggling to maintain a passing grade will be advised by the instructor or the high school counselor to withdraw from the college course in order to avoid future problems related to admissions, financial aid, and scholarships. Withdrawal from the college course does not result in a withdrawal from the high school course or Harts Bluff ECHS. Harts Bluff ECHS personnel are responsible for advising Harts Bluff ECHS students concerning academic progress in the high school component of the course.

All grade reports for all students will be produced and disseminated no later than 72 hours (3 business days) following the end of the academic term according to the published schedule. Grades are due to the registrar by the published date and time. All transcript corrections due to major change or repeated course are updated prior to the next grade reporting period. The College's Registrar will provide appropriate security and confidentiality measures for the reporting and posting of grades and the maintenance of transcripts.

Harts Bluff ECHS shall follow District policy as to the weighted system for the college grade for Harts Bluff ECHS student's final high school grade point average (GPA). Harts Bluff ECHS students are expected to meet academic standards for coursework completed at the College. Students who fail to maintain a cumulative grade point average (GPA) of 2.00 (C average) are considered scholastically deficient and can be placed on early academic alert, mandatory intervention, or academic suspension as appropriate by the College or Harts Bluff ECHS. All grade points earned by a student will be included in the computation of the current semester and in the cumulative grade point average. In the case of a repeated course, the last grade recorded will be used in the computation. Good Standing, Early Academic Alert, Mandatory Intervention, and Academic Suspension are determined each regular (Fall or Spring) semester on the basis of the student's current semester grade point average and academic standing requirements are listed in the College's Satisfactory Academic Progress Policy in the college catalog. Early Academic Alert, Mandatory Intervention, and Academic suspension at the

College may last for one regular fall or spring semester. Students placed on Early Academic Alert, Mandatory Intervention, and Academic Suspension may enroll for summer sessions or intersessions for the purpose of raising their cumulative GPA to the level required for good standing.

Continued enrollment at Harts Bluff ECHS and the College will be evaluated according to the process developed by the Harts Bluff ECHS and College. Harts Bluff ECHS students registering for a course for which they have earned a grade of F or W at the College, will be required to participate in mandatory advising/counseling and comply with the stated provisions included in the Student Success Agreement: Academic Improvement Plan or Probation Contract. Students not participating in mandatory advising requirement will have an administrative hold placed on their record. The hold, which will prevent registration, will be removed upon completion of the mandatory advisement session and completion of a Student Success Agreement: Academic Improvement Plan or Probation Contract.

Students registering more than two times for a course for which they previously have earned a grade of F or W at the College will be limited to enrolling in no more than 13 credit hours during the fall and spring terms and 7 credit hours during each of the summer terms. Exceptions to the credit hour limit will require the approval of the school district.

The following grading system is used at Northeast Texas Community College:

Grade	Interpretation	Grade Points Per Sem. Hour
A	Excellent	4.0
B	Good	3.0
C	Satisfactory	2.0
D	Minimum Passing	1.0
F	Failing	0.0
I	Incomplete	Not Computed
W	Withdrew	Not Computed

Textbooks purchased by the School District or the College for dual enrollment college courses taught at the high school campus as part of the Early College High School academic program will be used for at least four (4) years from the date of purchase, as mutually agreed upon by both institutions. When the textbook is no longer available from the publishing company or when the textbook is for a technology- based course, the District is responsible for purchasing new textbooks for Harts Bluff ECHS students who are not eligible for the FAST scholarship, as needed. All other textbooks needed for Harts Bluff ECHS students who are not eligible for the FAST scholarship and taking college classes at the college campus or online will be the responsibility of the School District and shall be the current textbook as adopted by the College's Divisions and Departments. Books and materials needed for Harts Bluff ECHS students in transfer courses who are eligible for the FAST scholarship will be the responsibility of the College.

10. INSTRUCTIONAL CALENDAR: For College credit courses taken for credit in the high school, the instructional calendar to be used is that of the participating School District. For College courses taken for credit on the College campus, the College instructional calendar is to be used.
