

## Work4College Fall 2025!

This year marks the second year of the Work4College program running year-round at NTCC—through both the fall and spring semesters—and there's even more to celebrate. The program has expanded to include new positions in the IT Department and at our on campus Jo's coffee shop, giving students more opportunities to gain hands-on experience in different fields.

Next, students will take part in a culinary class, fire safety and Stop the Bleed training, a tour of Pilgrim's in Mount Pleasant, and a university visit. These experiences help them build lasting skills and confidence—made possible by the continued support of our generous donors.

Work4College students continue to grow through their experiences. Second-year student Pablo Badillo-Navarro shared, **"Through Work4College, I've learned how much teamwork and effort go into making NTCC a better place. It's rewarding to be part of that."**

If I can answer any questions, or provide you with more information, please don't hesitate to contact me at 903.434.8246 or e-mail me at [mmay@ntcc.edu](mailto:mmay@ntcc.edu).

Sincerely,

Mason May

Work4College Program Director
